

## K-9 Unit

Many experts believe that police dogs are essential to effective policing in our modern American society. Well trained dogs can serve many functions in police work. Dogs can be trained to track, search and rescue, find bodies as well as sniffing out explosives and narcotics. Police dogs work well as a public relations tool, making local police seem more friendly and more helpful to children. Along with their practical work, the police dog might be one of the best PR tools that a police department can have.

Our goal is to raise the money to purchase and train a dog and handler, to equip a police vehicle and to pay for upkeep of the dog without municipal funding. We invite you to be part of our work, join us. You can volunteer and/or donate time and resources.

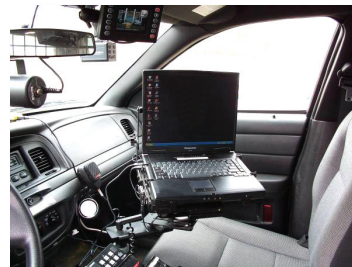

## Mobile Technology

Police used to have to call into the station with phones that were set up at street corners and highways. Modern communications systems have basically turned police vehicles into mobile police stations.

Thanks to an advanced onboard computer that is always online, cops are kept well informed about what's going on around town and can easily access police databases from anywhere.

Everything from traffic tickets to criminal investigations move smoother and faster with these advanced computer systems, giving officers the ability to pull up suspect mug shots, upload crime scene photos or check someone's license.

We intend to raise enough money to equip all the Southern Clarion police vehicles with state of the art computer systems. Please join us in this effort.

Effective policing requires improved communications between the community and the law enforcement agency. SCPA is a group of concerned citizens who want to see our communities develop into a great place to call home. Interaction between community and the police should serve to build bridges and strengthen the sense of community.

We are also dedicated to direct from community funding for support and technologies that may be beyond the reach of our municipal governments.

## Cops & Bobbers® Kids' Fishing Derby

What is more All-American or more Redbank Valley than a spring morning spent fishing with family and friends?

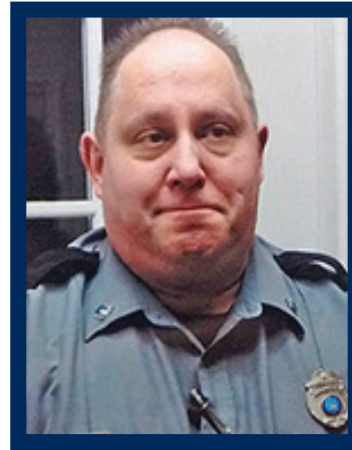

"Cops & Bobbers"® Kids' Fishing Derby is an opportunity for local law enforcement officers to spend a morning helping kids of all ages hone their fishing skills.

Southern Clarion Police Association intends to make the "Cops & Bobbers"® an annual event at New Bethlehem's beautiful Gumtown Park.

This is an incredible opportunity for kids to interact with law enforcement in a positive, very traditional setting.

Find out how you can be part of next year's "Cops & Bobbers"®!

## Officer Lloyd Reed Memorial Scholarship

~ End of Watch ~  
November 28, 2015

Officer Lloyd Earl Reed, Jr. served with the Seven Springs Borough Police Department, St. Clair Township Police Department, Hooversville Borough Police Department and Seward Borough Police Department for a combined total of 25 years. Officer Reed was shot and killed while responding to a domestic disturbance call at a home in New Florence, PA.

At the suggestion of Chief Robert Malnofsky, the Southern Clarion Police Association is developing a scholarship program in honor of Officer Reed. The scholarship will be awarded to a deserving individual in our service area who is planning to further their education in law enforcement or the skilled trades.

We believe that it is fitting to so honor an Officer who gave his life in service to the community.

SCPA welcomes your contributions to this effort.

## "Brady Cup" Basketball Tournament

It has been said that "Boys will be boys - and so will a lot of middle-aged men!" The Southern Clarion Police Association offers "boys of all ages" an opportunity to shake off the winter blues and strut their stuff on the hardwood.

Local teams from first responders, fire departments, school faculties or any other group of guys (or gals) are invited to East Brady on a Saturday in January to participate in a "round-robin" tournament.

The highly coveted "Brady Cup" traveling trophy and bragging rights will be on the line each January at our mid-winter fund raiser. Shed the winter blues and have some fun while helping with our fund raising. Contact SCPA for more information.
