### LLOYD REED MEMORIAL SCHOLARSHIP – Due March 16, 2026

**Open to residents of school districts supported in whole or in part by the SCCRPD**

Dear Applicant,

Southern Clarion Police Association is a 501(c)(3) non-profit organization dedicated to supporting and strengthening the Southern Clarion County Regional Police Department. We are committed to making our communities a safer and more secure place to live, work and raise a family and supporting the education and development of youth and local residents. We believe that by investing in the next generation of leaders, we can create a safer, fairer, and more just society. One of the ways we do this is by giving Police Academy or post-secondary students an opportunity to pursue their dreams of a career in law enforcement through our Lloyd Reed Memorial Scholarship.

The scholarship is named in honor of Lloyd Reed, a police officer who died in the line of duty while serving his community. By applying for this scholarship, you are not only honoring Officer Reed and police officers, you are also demonstrating your commitment to make a positive impact in your community.

If you are selected for a scholarship grant, you will receive \$500.00 in financial support to help you achieve your academic and professional goals by attending a Police Academy, or a college or university program leading to a career in law enforcement. If you do not successfully complete the Academy, fail to achieve MPOTEC certification, or discontinue studies in law enforcement, you agree to repay the grant within one year of leaving or discontinuing studies, or as otherwise agreed upon with the Association.

Applying for the Lloyd Reed Memorial Scholarship is easy. Just complete the enclosed application and submit it before the deadline. If you have any questions or need help, please contact us. We are here to support you and help you succeed.

In closing, we encourage you to take advantage of this opportunity to pursue your dreams and make a positive impact in our community.
